

## ACT OF CONSECRATION TO THE MOST PRECIOUS BLOOD OF JESUS

Blood of Jesus, inebriate me! O Jesus, my Beloved Savior,  
ever present in the Tabernacle, to be the strength,  
the joy and the food of souls, I come to consecrate myself to Thy Precious Blood,  
and to pledge Thee my sincere love and fidelity.

Pierced with sorrow at the remembrance of Thy sufferings,  
the contemplation of the Cross, and the thought of the outrages  
and contempt lavished by ungrateful souls upon Thy dear Blood,  
I long, O my Jesus, to bring joy to Thy Heart,  
and to make Thee forget my sins, and those of the whole world,  
by consecrating my body and soul to Thy service.

I desire, my Jesus, to live henceforth, only by Thy Blood and for Thy Blood.  
I now choose It as my greatest treasure and the dearest object of my love.

O merciful Redeemer, deign to regard me as a perpetual adorer  
of Thy Most Precious Blood, and be pleased to accept my prayers,  
my deeds and my sacrifices, as so many acts of reparation and love.

Heavenly Wine, giver of purity and strength, pour down upon my soul.  
Make of my heart a living chalice from which grace shall constantly flow  
on those that love Thee, and especially on poor sinners that offend Thee.

Teach me to honor Thee and to make Thee honored by others.

Give me power to draw to Thee cold and hardened hearts,  
that they may feel how infinitely Thy consolations surpass those of the world.

O Blood of my Crucified Savior, detach me from the world,  
and the spirit of the world.

Make me love suffering and sacrifice, after the example of St. Catherine of Sienna,  
who loved Thee so much [and whom I choose again today as my special patroness].

O Precious Blood, be my strength amid the trials and struggles of exile.

Grant that at the hour of death I may be able to bless Thee  
for having been the comfort and the sanctification of my soul,  
before becoming, in Heaven, the everlasting object of my love and praise.

Saints of God, who owe thy happiness to the Blood of Jesus;

Angelic spirits, who sing Its glory and power,  
august Virgin, who to It owest the privileges

of thine Immaculate Conception and Divine Maternity,  
help me to pay to the Precious Blood of my Redeemer  
a perpetual homage of adoration, reparation and thanksgiving.

Amen.

AMEN.

Jesus,

I plead Your Precious Blood over my body, mind, soul, and spirit; my past healings; my conscious and my sub-conscious; my family, friends, and possessions; my intellect and my will; my feelings, thoughts, and emotions; my words and actions; my vocation, my role in my family, my relationships, and sexuality. Protect with Your Precious Blood my work, finances, ministries, all other activities—all that I am and all that I do.

(PRAY YOUR PERSONAL INTENTIONS.)

Lord, I dedicate all of these things to You, and I acknowledge You as Lord and Master of all.

In Your Name, Lord Jesus Christ, I ask You to bind, silence, and separate Satan, and all his evil spirits that are coming against me, any of my loved ones, or any of my possessions. Lord Jesus, I ask you to command Satan and all of his companion spirits to depart from me and go directly to the foot of Your Cross, never to return to us again.

Father, I ask that our bodies, minds, souls, and spirits be washed clean and healed by the Holy Spirit, and I ask the Holy Spirit to dwell in us forever.

I ask you, Blessed Mother, through the grace of your Immaculate Conception, to intercede for our protection. I ask You, Eternal Father, to release St. Michael the Archangel, and all the angels to surround us, protect us, and minister to us.

Father, Jesus, Holy Spirit, and Blessed Mother, I thank You, I praise You, and I love You.

Amen.
