

PRAY FOR THE UNITED STATES

Our Lady of America Devotional Guide

THE STORY OF THE APPARITION

In September 1956, Our Lady appeared in the United States to a humble cloistered nun, Sister Mary Ephrem. She came with a specific, urgent message for the people of America: a call to authentic purity of heart and a promise of profound spiritual protection for the homeland if her children turned back to God.

She revealed herself clothed entirely in brilliant white, holding a lily of purity, and showing her Immaculate Heart encircled by roses. Her message reminds us that true national renewal begins within the sanctuary of the family home.

PRAY FOR THE UNITED STATES

Official Our Lady of America Prayer

(Given to Sister Mary Ephrem)

Oh Immaculate Mother, Queen of our country, open your heart to us, your children. Divine light has shone through you, making you the dawn of our salvation. Through you, the Flame of Divine Love enters a darkened world.

We fly to your protection, Holy Mother of God. Look upon our nation in this historic jubilee year. We consecrate our families, our homes, and our hearts to your Pure and Immaculate Heart. Shield our youth from the seductions of the world, and restore the virtue of holy purity to our land.

Oh Our Lady of America, let your mantle of protection cover us from coast to coast. Blind the forces of hatred and division, and lead our country back to the Sacred Heart of your Divine Son, Jesus Christ, who lives and reigns forever and ever.

Our Lady of America, Patroness of Purity,
pray for us!
